

GENERAL ANESTHESIA INFORMED CONSENT FORM

Patient Full Name: _____ **Date:** _____

I understand that general anesthesia involves a medically induced state of unconsciousness and loss of protective reflexes.

I acknowledge that general anesthesia will be administered and monitored by a qualified anesthesiologist or anesthesia team.

I understand that risks associated with general anesthesia may include nausea, vomiting, sore throat, allergic reactions, breathing difficulties, cardiovascular complications, aspiration, and rare but serious adverse events.

I confirm that I have provided complete and accurate medical history including medications, allergies, systemic conditions, and previous anesthesia experiences.

I acknowledge that failure to disclose medical information may significantly increase anesthesia-related risks and releases the clinic from responsibility for related complications.

I confirm that I have not consumed alcohol for at least **48 hours prior to general anesthesia**.

I understand that undisclosed alcohol consumption may increase anesthesia risks and may result in cancellation of the procedure or serious medical complications.

I confirm that I have followed all fasting (NPO) instructions and understand that failure to comply may lead to cancellation of the procedure.

I acknowledge that OrbisMed Clinics reserves the right to **cancel or postpone the procedure** if safety requirements are not met.

I understand and accept that in the event of cancellation due to non-compliance (including alcohol consumption, failure to follow fasting rules, or incomplete medical disclosure), **all incurred costs** including anesthesia fees, operating room preparation, medications, staffing, and related expenses will be **charged to me**.

I understand that anesthesia-related complications are considered medical risks and are not clinical errors, negligence, or improper dental treatment.

I acknowledge that general anesthesia does not guarantee treatment outcomes or eliminate all risks associated with dental or surgical procedures.

I understand that post-anesthesia I must not drive, consume alcohol, or make important decisions for at least 24 hours.

CONSENT CONFIRMATION

I confirm that I have read, understood, and voluntarily consent to general anesthesia under the conditions stated above at OrbisMed Clinics. I confirm that a copy of this informed consent has been provided to me.
