

PATIENT SATISFACTION & TREATMENT CONFIRMATION

FINAL ACKNOWLEDGEMENT FORM

Patient Full Name: _____ **Date:** _____

I confirm that I have received my planned dental treatment at OrbisMed Clinics and that the procedures have been explained to me clearly.

I confirm that I have had the opportunity to ask questions regarding my treatment, materials used, limitations, risks, and alternatives.

I confirm that at the time of completion of my treatment, I am satisfied with the functional and aesthetic outcome.

I acknowledge that dental treatments involve biological responses and adaptation periods, and that changes may occur over time.

I understand that gum recession, soft tissue changes, or changes in appearance may occur and are not covered under treatment guarantees.

For implant-supported or All-on-X restorations, I acknowledge that cleanable areas, airflow, saliva passage, speech adaptation (including lisp), and hygiene gaps are normal design features and do not indicate treatment failure.

I acknowledge that future maintenance, repairs, adjustments, or replacements may be required and may involve additional fees.

I confirm that no promises or guarantees beyond those stated in my signed consent forms have been made to me.

I acknowledge that hotel accommodation, transfers, flights, or travel expenses are not included unless explicitly stated in writing.

I confirm that this document reflects my condition and satisfaction at the time of treatment completion.

ACKNOWLEDGEMENT

I confirm that I have read, understood, and accept the statements above and that I am satisfied with my treatment at the time of signing.
