

BEFORE & AFTER PHOTOGRAPHY / MEDIA RELEASE

INFORMED CONSENT FORM

Patient Full Name: _____ **Date:** _____

I understand that photographs and/or videos may be taken before, during, and after my dental treatment for clinical documentation purposes.

I voluntarily consent to the use of my dental photographs and/or videos for educational, informational, and promotional purposes by OrbisMed Clinics.

Such materials may be used on the clinic's website, social media platforms, presentations, marketing materials, or professional publications.

I understand that my name and personal identifying information will not be disclosed unless I provide separate written consent.

I acknowledge that images may include intraoral views, facial images, profile views, and smile photographs.

I understand that once images are published or shared, complete removal from all platforms may not be possible.

I acknowledge that I will not receive financial compensation for the use of these images.

I understand that refusal to consent will not affect the quality or availability of my treatment.

I release OrbisMed Clinics, its staff, and representatives from any claims related to the use of these images.

I understand that this consent remains valid unless revoked in writing prior to publication.

ACKNOWLEDGEMENT & CONSENT

I confirm that I have read, understood, and voluntarily agree to the photography and media release terms stated above.
