## **TREATMENT RISK ACKNOWLEDGMENT AND APPROVAL FORM**

**Patient Name:** Emma Louise Ryder

**Passport Number:** 561726488

**Date:** 01.07.2025

This document serves as a formal acknowledgment and approval regarding the patient's current oral health condition and associated treatment risks.

The patient, Ms. Emma Louise Ryder, has been fully informed and understands that she is experiencing gum recession, a condition that may progress further. It has been clearly explained to her that continued smoking significantly contributes to the advancement of gum recession and may negatively impact the outcomes of any current or future dental treatments.

By signing this form, the patient acknowledges that:

- She has been adequately informed of the risks associated with smoking and gum recession.
- She understands that further recession is likely if smoking continues.
- She accepts that the Clinic will not be held responsible for any complications, treatment failures, or adverse outcomes resulting from gum recession or smoking-related factors.
- She consents to proceed with the treatment plan under these conditions and takes full responsibility for any consequences related to the aforementioned risks.

### **Patient Declaration:**

I, Emma Louise Ryder, confirm that I have read and understood this form. I have had the opportunity to ask questions and received satisfactory answers. I agree to proceed with the treatment and accept the associated risks as explained above.
